torterragarden asked:

Top 10 Bug types?

10. Orbeetle

While this is definitely ~~is~~recency bias (not that their bad or anything, just it being a part of the top 10) thanks to me using it in my current Shield nuzlocke. Their inspirations are very layered which makes them such an easy mon to app**Expand** They're also fun to use.

#thanks!! #my asks #pokemon #bug types #parasect

The image is a screenshot of a mobile application interface. At the top left, the word "Automatic" is displayed in a bold, black, sans-serif font. At the top right, there is a "Sponsored" label preceded by a sun-like icon with radiating lines, and followed by three small black dots. The main body of the screen is a solid, light gray color. Near the bottom, there is a horizontal gray bar containing the text "themayfairgrouppllc.com" on the left and a right-pointing chevron icon on the right. Below this bar is a prominent blue rectangular button with the text "Shop now" in white, centered. At the very bottom of the screen, there is a white bar. On the left side of this bar, the text "113k notes" is shown. On the right side, there are four black icons: a share icon (a square with a diagonal line), a comment icon (a speech bubble), a refresh icon (a circular arrow), and a heart icon.

A screenshot of a mobile application interface. At the top, a dark blue header contains the text "Top leavanny blogs" in white. Below this is a yellow background area. On the left, the name "leavanny" is displayed in a reddish-brown font. On the right, there is a small icon of a person with a red circle above their head. At the bottom of the yellow area, there is a rounded rectangular button with a reddish-brown background and the word "Follow" in white text. The bottom of the image shows a dark blue footer with the text "Oxymoronic" in white and a blue "Follow" link.

This is a screenshot of an Instagram profile card. The card has a dark blue background. At the top, the username "lilas-leavanny" is displayed in white text. Below the username is a large, solid light blue rectangular area. At the bottom of the card, there is a dark blue rounded rectangular button with the word "Follow" written in white text.

A screenshot of a social media post. At the top, the username "Oxyedaisy" is displayed in black, followed by a blue "Follow" button. Below this is a large, empty white rectangular area representing the post's content. Underneath the content area is a white bar with the word "Expand" in black text. Below the "Expand" bar, the text "#lurantis #leavanny #tsareena #monart" is shown in black. At the bottom of the post area, the text "632 notes" is on the left, and four icons (a share arrow, a speech bubble, a refresh symbol, and a heart) are on the right. The entire post is set against a light gray background. Below the post is a dark blue horizontal bar. At the bottom of the image, the text "sheer-gabiru-attack" is in black, followed by a blue "Follow" button, and three black dots are on the far right.

you know how some people paint their pet's nails

what if you could do that with leavanny's blade things

#my art #pokemon #pokemon black and white #pokemon b&w
#burgh #leavanny #ms paint
